

SAFE & FUN RIDING WITH CHILDREN

What will I do if I get lost at the event?

1. If I get lost, the first thing I should do is yell:

- A. "Look! We're being invaded by aliens!"
- B. "I like the smell of stinky diapers, mmm!"
- C. "Daddy or Mommy (your last name), where are you?"

2. If that doesn't help find my family, the next thing I should yell out is:

- A. "My pants are on fire! Put me out!"
- B. "I think porcupines are cuddly and soft!"
- C. "Someone please help me find a volunteer. I think I'm lost!"

3. The next thing I will do if I get lost is:

- A. Find a cactus and sit on it.
- B. Find a volunteer or a police officer and tell them that I'm lost.
- C. Find a skunk and pull its tail.

4. If my mommy or daddy gets lost, they should:

- A. Do what I would do and find a volunteer.
- B. Ride their bicycles into Lake Michigan
- C. Try to find a used piece of gum to chew.

5. The whole time I am lost, I will:

- A. Scream out, "It's the end of the world!"
- B. Feel guilty and try to crawl under a big rock.
- C. Stay calm and trust that many good people who truly care about my family and me are here to help.

How can I make sure the event is fun for my family?

1. I will check out our bikes:

- A. While wearing a blindfold.
- B. In plenty of time before the event to get them fixed if they need to.
- C. I won't check out our bikes. It doesn't matter if our handlebars fall off while trying to steer.

2. I will bring my helmet and:

- A. Hang it off my handlebars while I'm riding.
- B. Wear it on my head to protect me and keep me safe.
- C. Strap it somewhere on my bike to collect rocks I find on the beach.

3. While riding alongside the other bicyclists at the event, I will:

- A. Pretend I'm in a demolition derby and knock people off their bikes.
- B. Ride with my eyes closed.
- C. Always pass on the left and let other bicyclists know beforehand by saying, "I'm passing on your left."

4. The whole time I am at the event, I will remember to:

- A. Be courteous to others.
- B. Be safe and have fun.
- C. Enjoy the ride with my family and friends.
- D. All of the above.
